

Gabriel Lau

Lau.ga@northeastern.edu | 347-570-8628 | Boston, MA | [LinkedIn](#) | [GitHub](#) | [My Website](#)

Education

Northeastern University, Boston MA May 2028

Bachelor of Science in Electrical Engineering and Computer Engineering, GPA 3.876

Coursework: Differential Equations and Linear Algebra, Calculus 3, Physics 2, Object-Orientated Design, Cornerstone of Engineering, Embedded Design: Enabling Robotics, Computer Fundamentals for Engineers

Activities: NURobotics, NUAGE

Queens University Belfast, Belfast, Northern Ireland
Semester Abroad through NU.in

September - December 2024

Skills

Programming: C, C++, MATLAB, Java, HTML, CSS, Javascript, p5.js, Python, Basic Student Language, Intermediate Student Language + Lambda

Software: AutoCAD, SOLIDWORKS, OnShape, LightWorks, Quartus

Electronics: Arduino, Soldering, Basic circuit design

Languages: Can understand Cantonese

Engineering Projects

Glacier Trivia Game

April 2025

- Built a Glacier Trivia game for Cornerstone of Engineering
- Used a glacier on a gear train and trivia to help educate children on the dangers of climate change
- Created the entire circuit design and coding all of the MATLAB and arduino in the system
- Soldered broken buttons for the machine

French Tarot Card Counter

May 2024

- Built a Card counter for French Tarot 4 player in C
- Was meant to help the bidder know what cards are in play, as well as how many points they still needed to win
- Also calculated points at the end of the game, including Oudler point reductions

Bullet Hell Web Game

May 2023

- Worked with a classmate to create a bullet hell game in Processing 5
- Dealt with object oriented programming to create the bullets, as well as function programming to create the user interface
- More web game projects can be found on my website

Work Experience

Northeastern University, Boston MA

September - December 2025

Teacher's Assistant, CS 2100 Programming Design and Implementation 1

- Graded homework, held office hours, and presided over labs
- Received thanks from multiple students for fixing their issues

New Explorations into Science Technology and Math, NYC, New York

August 2021, 2022, 2023

Storage Helper and Teacher's Assistant

- Praised by the school's Financial Manager for assisting teachers in moving supplies and managing the storage room
