Education

Northeastern University, Boston MA — May 2029
Bachelor of Science in Electrical Engineering and Computer Engineering, GPA 3.821
Coursework: Differential Equations and Linear Algebra, Object-Orientated Design, Cornerstone of Engineering, Embedded Design, Computer Fundamentals for Engineers, Circuits and Signals, Engineering Algorithms, Cybersecurity, Digital Design
Activities: NURobotics, Board Game Club(NUAGE), Puzzle Hunt Committee(Husky Hunt)

Queens University Belfast, Belfast, Northern Ireland — September - December 2024
Semester Abroad through NU*.in*

Skills

Programming: C, C++, MATLAB, Java, HTML, CSS, Javascript, p5.js, Python, Racket, SystemVerilog
Software: AutoCAD, SOLIDWORKS, OnShape, LightWorks, Quartus, Linux, LTSpice
Electronics: Arduino, Soldering, Basic circuit design, Risograph, DMM, Oscilloscope
Language: Basic Cantonese

Engineering Projects

Pipes Maze Generation — August 2026
- Created a pipe generation game in Java for Husky Hunt, Northeastern's Puzzle hunt
- Utilizes Northeastern's Javalib Library for UI
- Maze generation made using Wilson's Algorithm in Java.

Glacier Trivia Game — April 2025
- Built a Glacier Trivia game for Cornerstone of Engineering
- Used a glacier on a gear train and trivia to help educate children on the dangers of climate change
- Created the entire circuit design and coding all of the MATLAB and arduino in the system
- Soldered broken buttons for the machine

Bullet Hell Web Game — May 2023
- Worked with a classmate to create a bullet hell game in Processing 5
- Dealt with object oriented programming to create the bullets, as well as function programming to create the user interface
- More web game projects can be found on my website

Work Experience

Northeastern University, Boston, MA — January 2026 - May 2026
IT/AV Co-op, *College of Art Media and Design*
- Marked storage materials into inventory for archival purposes
- Handled and solved over 40+ tickets across the entire department
- Troubleshooted and managed multiple printers and plotters.

Northeastern University, Boston, MA — September - December 2025
Teacher's Assistant, *CS 2100 Programming Design and Implementation 1*
- Graded homework, held office hours, and presided over labs
- Received thanks from multiple students for fixing their issues

New Explorations into Science Technology and Math, NYC, New York — August 2021, 2022, 2023
Storage Helper and Teacher's Assistant
- Praised by the school's Financial Manager for assisting teachers in moving supplies and managing the storage room
